# What if Imogen was a Sailor Guardian?

by [MiaQc](#)

## Summary

A microfic that wants to answer the following question: What if Imogen was a Sailor Guardian?

- A translation of [Et si Imogen était une Sailor Gardienne?](#) by [MiaQc](#)

"Me, a Sailor Guardian? Like Sailor Moon?" I ask, breaking the fourth wall. "But I'm already a magical girl. Well, I suppose I can entertain you regardless."

It was a day like many others, until a troll wreaked havoc in my favorite clothing store!

"How dare you?" I say to the monster, while holding my golden transformation wand in my hand. It has two stones on its ends, two garnets. "You'll regret this!"

The troll howls with anger.

I hold my wand up to the sky.

**"Garnet Mystical Power..."**

The stones on the wand light up.

**"MAKE UP!"**

The wand disappears and my body is surrounded by a red light. My red Sailor Guardian boots appear, followed by my white gloves, red bracelets, white top with a red ribbon, red miniskirt, red tiara, earrings and choker. I spin around, grab my wand which has reappeared and my transformation is complete.

My wand isn't just for transformation. It's also a weapon.

"I am a Sailor Guardian, protector of Stratford-Upon-Avon High and the world! Sailor Garnet! Prepare to shine... and vanish!"

The troll runs towards me to attack me, but I am much faster than him. I twirl my wand.

**"BALANCING ACT!"**

A darkness spiral hurts the monster and stuns it.

Balancing Act can be either light or dark. It's a random attack.

I take the opportunity to approach him.

**"TIARA TOSS!"** I shouted as I threw my tiara.

When it hits the troll, it explodes into a ball of light. The monster is

propelled to the ground. It doesn't get up. The troll, now defeated, screams and his body disappears in a shining dust.

"Victory!" I say, while making a V with my fingers.

I de-transform and go home.
